

Declaration of Conformity EC Regulation No.1935/2004 & FDA – CFR 21 Parts 170 to 189 – Item 177.2600

We hereby certify that the following Verderflex® products that are intended to come into contact with foodstuffs conform to both
EC regulation No.1935/2004
FDA – CFR 21 Parts 170 to 189 – Item 177.2600

VERDERFLEX - Black NBR Food Grade Hoses VERDERLUBE - Lubricant for use with Peristaltic Pumps

Identification

Verderflex® Black NBR food Grade hoses can be identified by an external Yellow Coding / Identification tape and an additional external tape.

Verderflex® Black NBR Food Grade hoses consist of a smooth black inner food grade liner bonded to an outer non-food grade cover. The inner liner is taste-free and odour- less and in accordance with the above regulation.
